REQUEST FOR HOLY BAPTISM

The dates for the celebration of Holy Baptism are set well in advance throughout the year. Please inquire about the next occasion when the Sacrament of Baptism is offered as you begin the process of preparation for this very important event in your life and the life of your child. A series of classes are offered to help parents and godparents do their best by example and encouragement to see that the child pursues the promises that they make on behalf of the child with God's help. Members of the parish will share in the experience with you.

By undertaking this Christian responsibility you promise to attend worship regularly, bring the child to Church School and provide a Christian home. Belonging to the Church is a joyful privilege and responsibility as we become aware of God's love for us in Christ.

Godparents must themselves have become members of Christ's Holy Catholic Church through Baptism, and we suggest that at least one of them ought to be a Communicant member of the Anglican Church. They should be selected carefully so they may be a good example and an encouragement to Christian living as well.

This request should be returned at least two months in advance of Baptism and after consultation with Clergy.

Baptism is usually held on Sundays at our main worship service of the Holy Eucharist.
